

Dear

We are pleased to announce that **National Legal Investigations LLC**, a full service private investigations firm specializing in legal and corporate matters, is now licensed and operating in the State of Arizona in addition to our current California licensing and operations. We also manage a carefully established network of national and international investigators and resources that perform to our standards with the exceptional service our clients deserve and expect no matter the assignment or location.

We understand it's not what you know but what you can prove and we would like to be your resource to gathering the necessary evidence. Our primary objectives are to strengthen the attorney/client relationship and protecting our corporate clients' interests by applying our extensive experience to clear and practical investigative solutions in a cost effective manner. Our services include asset Investigations, surveillance, skip-tracing, background reports, due diligence, and court testimony. Please refer to the accompanying page for a summary of the services we provide and or visit us at our websites; www.nliusa.com

We would welcome the opportunity to speak to you in more detail about how we may be of assistance and developing your confidence in us towards building a lasting and successful relationship. We are available 24/7 and provide free consultations. Please feel free to contact me directly any time at cell # (310) 755-0479.

Thank you for your time and consideration.

Sincerely,

James Murphy, President
